CHAIRPERSON'S REPORT FOR THE PERIOD ENDED 31 DECEMBER 2008

Given the timescales set in the Health Act 2007 the Authority has published an Annual Report which is a separate and distinct document from this set of Annual Financial Statements.

In the Annual Report the Authority has addressed the requirements set out in Section 37 of the Health Act 2007. The Annual Report describes the performance of the Authority's functions during 2008. The Annual Report can be downloaded from the Authority's website www.hiqa.ie or requested from the Authority's head office at Unit 1301, City Gate, Mahon, Cork.

The amount of cash available, by way of grant from the Department of Health and Children to the Authority was €16.47m in 2008 (€9.0m 2007). Given the start up nature of the organisation the Authority drew down less than the cash available in 2008 and in 2007 and therefore was under spent by €1.67m in 2008 and €1.8m in 2007 against the available cash.

The Authority recorded a surplus of €1.8m in the year. In 2007, despite an under spend against the total available budget, insufficient cash was drawn down by the Authority and therefore the accounts reflect a deficit of €2.1m. The Authority drew down cash from its allocation for 2008 that was used to pay for expenditure accrued in 2007 but paid in 2008.

Pat McGrath Chairperson

MEMBERSHIP AND GENERAL INFORMATION FOR THE PERIOD ENDED 31 DECEMBER 2008

The following persons were members of the Authority for the year ended 31 December 2008:

Pat McGrath Chairperson

Dan Byrne Vice Chairperson

STATEMENT OF BOARD MEMBERS' RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2008

Under the terms of the Health Act 2007 which established the Health Information and Quality Authority, the Board acknowledges its responsibility to prepare financial statements for the period which give a true and fair view of the state of affairs of the Authority and its income and expenditure for the period.

In preparing those statements the Board is required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Disclose and explain any material departures from applicable accounting standards, and
- Prepare the financial statements on the going concern basis unless it is inappropriate to do so.

The Board is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time the financial position of the Authority and which enable the Board to ensure that the financial statements complied with the relevant Act and with the accounting standards laid down by the Minister for Health and Children. The Board is also responsible for safeguarding the assets of the Authority and hence for taking reasonable steps for prevention and detection of fraud and other irregularities.

On behalf of the Board

Pat McGrath Chairperson

Bryan Barry Board Member

REPORT OF THE COMPTROLLER AND AUDITOR GENERAL FOR PRESENTATION TO THE HOUSE OF THE OIREACHTAS

I have audited the financial statements of the Health Information and Quality Authority for the year ended 31 December 2008 under the Health Act 2007.

The financial statements, which have been prepared under the accounting policies set out therein, comprise the Statement of Accounting Policies, the Income and Expenditure Account, the Capital Income and Expenditure Account, the Cash Flow Statement, the Balance Sheet and the related notes.

Respective Responsibilities of the Board and the Comptroller and Auditor General

The Health Information and Quality Authority is responsible for preparing the financial statements in accordance with the Health Act 2007, and for ensuring the regularity of transactions. It prepares the financial statements in accordance with accounting standards specified by the Minister for Health and Children. The accounting responsibilities of the Members of the Board are set out in the Statement of Board Members' Responsibilities.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

I report my opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland. I also report whether in my opinion proper books of account have been kept. In addition, I state whether the financial statements are in agreement with the books of account.

I report any material instance where moneys have not been applied for the purposes intended or where the transactions do not conform to the authorities governing them.

I also report if I have not obtained all the information and explanations necessary for the purposes of my audit.

I review whether the Statement on Internal Financial Control reflects the Authority's compliance with the Code of Practice for the Governance of State Bodies and report any material instance where it does not do so, or if the statement is misleading or inconsistent with other information of which I am aware from my audit of the financial statements. I am not required to consider whether the Statement on Internal Financial Control covers all financial risks and controls, or to form an opinion on the effectiveness of the risk and control procedures.

REPORT OF THE COMPTROLLER AND AUDITOR GENERAL FOR PRESENTATION TO THE HOUSE OF THE OIREACHTAS (Continued)

Basis of Audit Opinion

In the exercise of my function as Comptroller and Auditor General, I conducted my audit of the financial statements in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board and by reference to the special considerations which attach to State bodies in relation to their management and operation. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures and regularity of the financial transactions included in the financial statements. It also includes an assessment of the significant estimates and judgements made in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Authority's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations that I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In compliance with the directions of the Minister for Health and Children, the Authority recognises the costs of superannuation entitlements only as they become payable. This basis of accounting does not comply with Financial Reporting Standard 17 which requires such costs to be recognised in the period the entitlements are earned.

Except for the non-recognition of the Authority's superannuation costs and liabilities which is not in accordance with Financial Reporting Standard 17, the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Principles in Ireland, of the state of the Authority's affairs at 31st December 2008 and of its income and expenditure for the year then ended.

In my opinion, proper books of account have been kept by the Authority. The financial statements are in agreement with the books of account.

Gerard Smyth For and on behalf of the Comptroller and Auditor General 10th April 2010

STATEMENT ON INTERNAL FINANCIAL CONTROL FOR THE YEAR 31 DECEMBER 2008

Responsibilities for the System of Internal Financial Control

On behalf of the Authority I acknowledge we are ultimately responsible for the system of internal financial control, for reviewing its effectiveness and ensuring it is maintained and operated.

The system is designed to provide reasonable and not absolute assurances that assets were safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely period.

Management took steps to ensure that there was an effective system of financial control in place. This included implementing a system of internal control based on regular information on expenditure being supplied to management, administrative procedures including segregation of duties and a system of delegation of responsibility.

Key Control Procedures:

The following is a description of the key procedures, which had been put in place by the management and were designed to provide effective internal financial controls:

- 1. An annual estimate of the organisation's financial requirements were provided to the Department of Health and Children.
- 2. Reports were provided to the Department which compared actual and estimated expenditure.
- 3. All expenditure by the organisation was recorded in the general ledger of the accounting system. Monthly expenditure reports were prepared by the accounts department.
- 4. The finance department prepared monthly statements of expenditure which compared actual with estimated expenditure. These were regularly reported to the Executive Team and to the Board.
- 5. A segregation of duties existed between the preparation, authorisation and execution of payments.

STATEMENT ON INTERNAL FINANCIAL CONTROL FOR THE YEAR 31 DECEMBER 2008 (continued)

- 6. The Board established an Audit and Corporate Governance Committee in 2007, whose primary function is to ensure that the Authority meets its relevant statutory functions and to advise the Board on the robustness and effectiveness of the arrangements and status of the corporate governance, financial and risk management and internal audit of the Authority
- 7. During the year the Authority's internal auditors carried out work in helping develop risk management and operational reporting framework. At this point having regard to the size of the organisation and its start up nature no formal review of internal financial control was carried out. This will be done in 2009.

Signed: Pat McGrath Date: 24th March 2010

Chairperson

STATEMENT OF ACCOUNTING POLICIES FOR THE YEAR ENDED 31 DECEMBER 2008

1. Accounting Convention

The financial statements are prepared in accordance with historical cost convention and in accordance with the accounting standards laid down by the Minister for Health and Children.

2. Period of Financial Statements

The financial statements relate to the year ended 31 December 2008.

3. Grant Income (Revenue Grants)

The amount brought to account represents the actual grants received in the accounting period.

Grant Income applied for capital purposes resulting in additions to fixed assets is capitalised in the Capital Accounts.

4. Capital Grants

Capital grants recognised in the financial statements represent the amounts received from the Department of Health and Children for the period to fund capital projects and is recorded in the Capital Income & Expenditure Account.

5. Fixed Assets

a) Fixed assets acquisitions, regardless of the source of funds, are capitalised with the exception of assets funded from revenue (Non-Capital) grants with a value below the following threshold:

Equipment / Furniture and Fittings
 Computer / ICT Equipment
 Less than €3,809
 Less than €1,270

b) Tangible Fixed Assets are stated at their historical cost or valuation less depreciation.

Depreciation is provided on a straight line basis at rates which are calculated to write off assets, adjusted for estimated residual value, over their expected useful lives as follows:

Furniture and Fittings 20% Straight LineComputer Equipment 33.33% Straight Line

STATEMENT OF ACCOUNTING POLICIES FOR THE YEAR ENDED 31 DECEMBER 2008 (Continued)

c) Depreciation is matched by an equivalent amortisation of Capital Account

6. Capital Account

The Capital Account represents the unamortised value of funding applied for the purchase of fixed assets.

7. Superannuation

In accordance with Section 27 of the Health Act 2007 the Health Information and Quality Authority has drafted a superannuation scheme in line with the Department of Finance model Superannuation Scheme. This scheme will be submitted to the Department of Health and Children for approval and pending approval the scheme is being operated on an administrative basis. The scheme is a defined benefit superannuation scheme for employees. No provision has been made in respect of benefits payable. Contributions from employees who are members of the scheme are credited to the income and expenditure account when received. Pension payments under the scheme are charged to the income and expenditure account when paid. By direction of the Minister for Health and Children no provision has been made in respect of benefits payable in future years.

8. Establishment

On establishment of the Authority on 15 May 2007 the Irish Health Services Accreditation Board and the Interim Health Information and Quality Authority were dissolved. The assets and liabilities of the dissolved bodies were transferred to the Authority. The net book value of fixed assets transferred in is shown as a movement in capital reserves. The revenue reserves that have been transferred in, are shown as a movement on the income and expenditure account.

17. Leasehold Commitments

At the year end the Authority has commitments under operating leases in respect of the property at Webworks, Eglinton Street, Cork. The cost of this lease in 2008 was €235,846 (2007 €48,190). This lease expires during 2009.

The Authority also has a long term lease commitment in respect of the property at 13-15 The Mall, Beacon Court, Bracken Road, Dublin 18. This lease expires on 27 March 2028. The cost of this lease was €354,188 (€141,675 in 2007).

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2008 (Continued)

18. Financial Commitments

The Interim Health Information and Quality Authority and the Irish Health Service Accreditation Board entered into commitments to fund a number of organisations to carry out research in the area of health and social care. On establishment these commitments transferred to the Authority. The Authority will discharge these commitments when it is satisfied that the research organisations have met the agreed project payment schedules and milestones. The remaining commitments at the year end were as follows

Organisation	Area of Research	Commitment
Adelaide and Meath Hospital, Incorporating the National Children's Hospital	Colorectal Cancer Screening	309,000
Dublin Institute of Technology	Electronic Health Records	270,000
Irish College of General Practitioners	Quality Indicators in General Practice	225,000
Irish College of General Practitioners	Morbidity and Epidemiology in General Practice	163,500
The Haughton Institute	PhD study on Health Technology Assessments	68,000
University of Dublin - Trinity College	Services user involvement in the investigation	64,000
University College Dublin	process What are the benefits of Hospital Accreditation- Research	137,000

19. Remuneration of Chief Executive Officer

The Chief Executive Officer received total emoluments of €232,645 (2007 €138,851). She is a member of the Authority's Pension Scheme

20. Board Members' Interests

Transactions are made, from time to time, with bodies with which members are connected whether through employment or otherwise. The Authority has procedures for dealing with conflicts of interest, in accordance with guidelines issued by the Department of Finance.
