---

Mary,

I acknowledge that HIQA circulated notice to providers on Tuesday evening last. NHI did not receive this information from the Authority despite our request and previous commitments.

I further note that the Authority issued further regulatory notice this evening confirming cancellation of inspections.

<https://www.hiqa.ie/hiqa-news-updates/regulatory-response-hiqa-and-chief-inspector-social-services-covid-19-2>

Can I once again request that NHI is included in your communications to the nursing home sector.

Best regards,  
Tadhg
