To whom it concerns, I am writing to you about my Uncle [REDACTED] who is currently in [REDACTED] at present. [REDACTED], which is healed now. [REDACTED] wen the visits stopped. [REDACTED]

[REDACTED]

[REDACTED]. Since going into hospital, [REDACTED] had deteriorated Mentally & Physically, so much so that he cries Alot and asks what he did to deserve the way he is and how he is treated.

[REDACTED] He has lost 3stone and is not eating, he's in that hospital bed 24/7, he's not been out in the fresh air or able to have a cigarette. [REDACTED]

I hope to God in Heaven that this email is answered or we get a call, before it's too late  
Yours Sincerely & Hopefully
