**Re: FOI request, part granting request 053 2022**

Dear [REDACTED]

I refer to your request dated 5 April 2022 made under the Freedom of Information Act 2014, for records held by the Health Information and Quality Authority (HIQA) in relation to the following:

Correspondence (letter and email) between the HIQA CEO and HIQA Director of Healthcare Regulation – and the following parties – in regard to governance of Letterkenny University Hospital’s gynaecology service, and quality and safety of same: HSE CEO; HSE Chief Operations Officer; HSE Director of Acute Hospitals; CEO of Saolta University Health Care Group; Clinical Director of Saolta University Health Care Group; Director of the Women’s and Children’s Managed Clinical and Academic Network, Saolta University Health Care Group; General Manager of Letterkenny University Hospital; Minister for Health; Secretary General at the Department of Health; and Chief Medical Officers at Department of Health. The period of the correspondence would be 1 September 2021 to 5 April 2022.

I have now made a final decision to part grant your request on 19 May 2022.

The purpose of this letter is to explain that decision. This explanation has the following parts:

□ **Head Office:**  
Unit 1301, City Gate, Mahon,  
Cork, T12 Y2XT, Ireland  
Tel: +353 (0) 21 240 9300  
Fax: +353 (0) 21 240 9600

□ **Dublin Regional Office:**  
George’s Court, George’s Lane,  
Dublin, D07 E98Y, Ireland  
Tel: +353 (0) 1 814 7400  
Fax: +353 (0) 1 814 7699

1. a schedule of all of the records covered by your request;
2. an explanation of the relevant findings concerning the records to which access is denied, and
3. a statement of how you can appeal this decision should you wish to do so.

This letter addresses each of these three parts in turn.

## **1. Schedule of records**

A schedule is enclosed with this letter, it shows the documents that HIQA considers relevant to your request. It describes each document and refers to the sections of the FOI Act which apply to prevent release. The schedule also refers you to sections of the detailed explanation given under heading 2 below, which are relevant to the document in question. It also gives you a summary and overview of the decision as a whole.

## **2. Findings, particulars and reasons for decisions to deny access**

The sections of the Act which can apply to deny access to documents are known as its exemption provisions.

Section 29(1) of the FOI Act 2014 states:

*"A head may refuse to grant an FOI request –*

*(a) If the record concerned contains matter relating to the deliberative process of an FOI body (including opinions, advice, recommendations, and the results of consultations, considered by the body, the head of the body, or a member of the body or the staff of the body for the purpose of those processes), and*

*(b) The granting of the request would in the opinion of the head, be contrary to the public interest"*

The information withheld under this exemption relates to matters currently under deliberations by HIQA. It is my view that the release of this information at this stage in the process would be contrary to the public interest as the information contained is still under consideration and follow-up actions are ongoing.

□ **Head Office:**  
Unit 1301, City Gate, Mahon,  
Cork, T12 Y2XT, Ireland  
Tel: +353 (0) 21 240 9300  
Fax: +353 (0) 21 240 9600

□ **Dublin Regional Office:**  
George's Court, George's Lane,  
Dublin, D07 E98Y, Ireland  
Tel: +353 (0) 1 814 7400  
Fax: +353 (0) 1 814 7699

I am satisfied that the release would be harmful to the process and it is therefore my view that this information should not be released. I have set out below the factors that I have considered in the public interest.

### **Public Interest Test**

I have considered the public interest issues which arise in this case and have taken account of the following factors in favour of release:

- The right of the public to have access to information
- The accountability of administrators and scrutiny of decision making processes
- The information will make a valuable contribution to the public debate on an issue

In considering the public interest factors which favour withholding the records I have taken account of the following:

- The need to preserve confidentiality having regard to the subject matter and the circumstances of the communications
- The release of records would impair future decisions
- Premature release could contaminate the decision making process
- Premature release of records would impair the integrity and viability of the decision making process to a significant or substantial degree without countervailing benefit to the public

Having balanced the above factors, I place greater weight on the public interest favouring the withholding of the records and, therefore, my decision is to redact the relevant records.

### **Section 37 – Personal Information**

In relation to all records identified in the schedule, each contains matters where access to the records would involve disclosure of personal/identifiable information within the meaning of Section 37 of the FOI Act. Where appropriate HIQA has sought to the largest extent possible to redact personal or identifiable information so as to part grant records identified.

□ **Head Office:**  
Unit 1301, City Gate, Mahon,  
Cork, T12 Y2XT, Ireland  
Tel: +353 (0) 21 240 9300  
Fax: +353 (0) 21 240 9600

□ **Dublin Regional Office:**  
George's Court, George's Lane,  
Dublin, D07 E98Y, Ireland  
Tel: +353 (0) 1 814 7400  
Fax: +353 (0) 1 814 7699

Section 37(1) provides as follows:

- *Subject to this section, a head shall refuse to grant an FOI request if, in the opinion of the head, access to the record concerned would involve the disclosure of personal information (including personal information relating to a deceased individual).*

Section 37(5) provides that a head may grant the request if the:

- *"public interest that the request should be granted outweighing the public interest that the right to privacy of the individual to whom the information relates should be upheld."*

#### Grounds for Decision to Part Grant Request

The records contain the name(s) of individual(s) and or other personal identifiable data and for this reason HIQA is of the view that the exemption applies and the records will be redacted in order not to disclose the personal identifiable information of third parties.

#### Public Interest Consideration

HIQA accepts that Section 37(1) is subject to Section 37(5) which provides that access to a record may be granted in specified circumstances where the public interest would, on balance, be better served by granting than by refusing to grant the request.

### **3. Rights of appeal**

If you are unhappy with this decision you may appeal it. Please note that a fee applies for an appeal, with the exception of an appeal against the imposition of a €30 fee. In the event that you need to make such an appeal, you can do so by writing to the Freedom of Information Unit, Health Information and Quality Authority, Dublin Regional Office, George's Court, George's Lane, Smithfield, Dublin 7, D07 E98Y or by e-mail to [foi@hiqa.ie](mailto:foi@hiqa.ie). Payment should be made by way of electronic transfer. Please contact the FOI Office for further details.

You should make your appeal within 4 weeks, from the date of this notification, where a day is defined as a working day excluding, the weekend and public holidays. However, the making of a late appeal may be permitted in appropriate circumstances. The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of the Authority.
